Jehanabad, Bihar - 804417 | +91 7903388456 | prashantayush52@gmail.com | prashantayush.online

CAREER OBJECTIVE

Civil Engineering diploma holder currently pursuing B.Tech in Civil Engineering (Lateral Entry, 2nd Year) at Kalinga University, Raipur. Hands-on exposure to site measurement, estimation, and documentation gained while working alongside a Junior Engineer. Seeking an entry-level opportunity as a Junior Engineer / Site Engineer / Real Estate Associate to apply technical and analytical skills on live construction and development projects.

EDUCATION

B.Tech, Civil Engineering (Lateral Entry) | Kalinga University, Raipur 2025 - 2028 (Pursuing, 2nd Year)
Diploma in Civil Engineering Completed

FIELD / PRACTICAL EXPERIENCE

Site Support - Junior Engineer's Office

- Prepared Measurement Books (MB) for ongoing construction works as per site records.
- Assisted in preparing bills, invoices, and cost estimates for executed work.
- Carried out on-site measurement and verification of work in progress alongside the Junior Engineer.
- Gained working exposure to quantity estimation, billing procedure, and site documentation used in government works.

Chemistry Faculty (Teaching Experience) 1 Year

- Taught chemistry concepts to students, building strong communication, planning, and explanation skills.

TECHNICAL & SITE SKILLS

- Measurement Book (MB) preparation, site measurement & verification
- Quantity estimation, billing & invoicing for construction works
- Reading and understanding site drawings and work orders
- Preparing for Government JE examinations (SSC JE, RRB JE, BTSC JE) - strong grasp of core civil subjects

DIGITAL & SOFTWARE SKILLS

- MS Excel & MS Office - data entry, calculation sheets, reporting
- Power BI - basic dashboard building
- Canva - presentations & basic design
- Basic coding & AI tools - for productivity and quick problem-solving
